

Welcome to the ICP Innovators Club!

Welcome! We are thrilled to kick off this journey. The ICP Innovators Club is a community. We're dedicated to blockchain and Web3 development. This is where innovation meets opportunity. Let's redefine the digital landscape together!

 **by Cynthia Muemi**

Community Benefits

Internships

Unlock doors to blockchain startups.
Access Web3 companies through our network.

Hackathons

Participate in exclusive events like the OpenChat Botathon. Compete in Buildathons to showcase your skills.

Swag & Prizes

Get rewarded with swags and prizes.
Network with top ICP developers.

Startup Success

1

Funding

Learn to secure funding for your startup. Connect with key investors in the space.

2

Collaboration

Team up with other developers. Gain practical, hands-on experience.

3

Real-World Impact

Work on meaningful projects. Make a tangible difference in the world.

	Wednesday	Thursday	Friday	Saturday	Sunday
85+	1 June 211 Maryoke Evening	2 Blockchain Decent Goda Conlctiom	3	4 June 11 Pibet Erapon	5
80+	16	17 Money 2017 Firycan	18 Tuta/11	17 Mame/15 Learn (Dlckctay)	18

Club Expectations

Attend Sessions
Join us in person every Thursday. Engage in online sessions on Fridays.

Follow Socials
Stay updated on social media. Don't miss important news and opportunities.

1

2

3

Practice Publicly
Actively build projects in public. Enhance your learning through open practice.

Community Support

Support

Find assistance when you need it. Our community is here to help.

Mentorship

Get guidance from experienced mentors.
Learn from the best in the field.

Networking

Expand your professional network.
Connect with like-minded individuals.

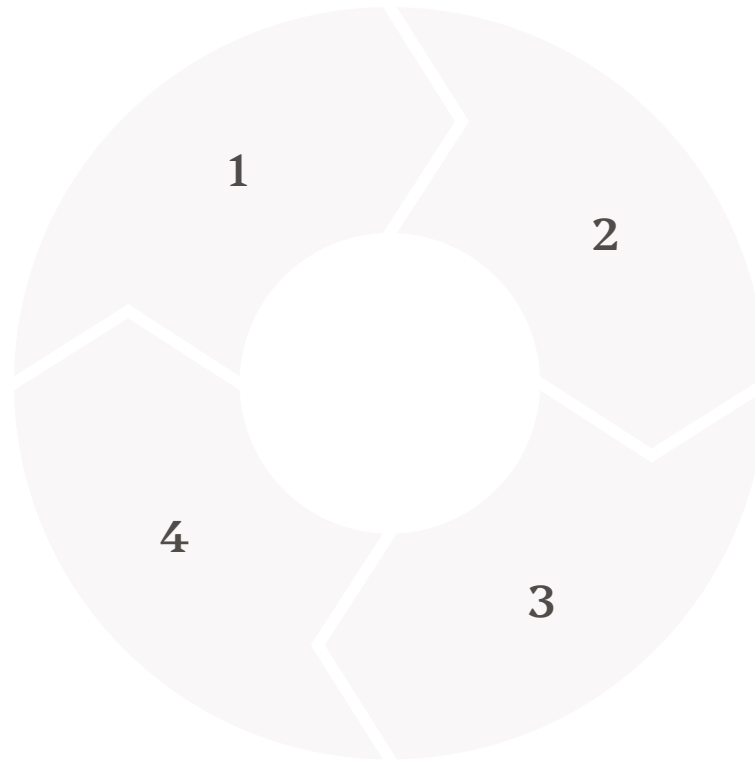

Club Mission

Collaboration

Work together to achieve common goals

Open Source

Contribute to decentralized innovation

Respect

Value diverse opinions and experiences

Inclusivity

Welcome everyone, regardless of skill level

Learning Resources

ICP Developer Docs

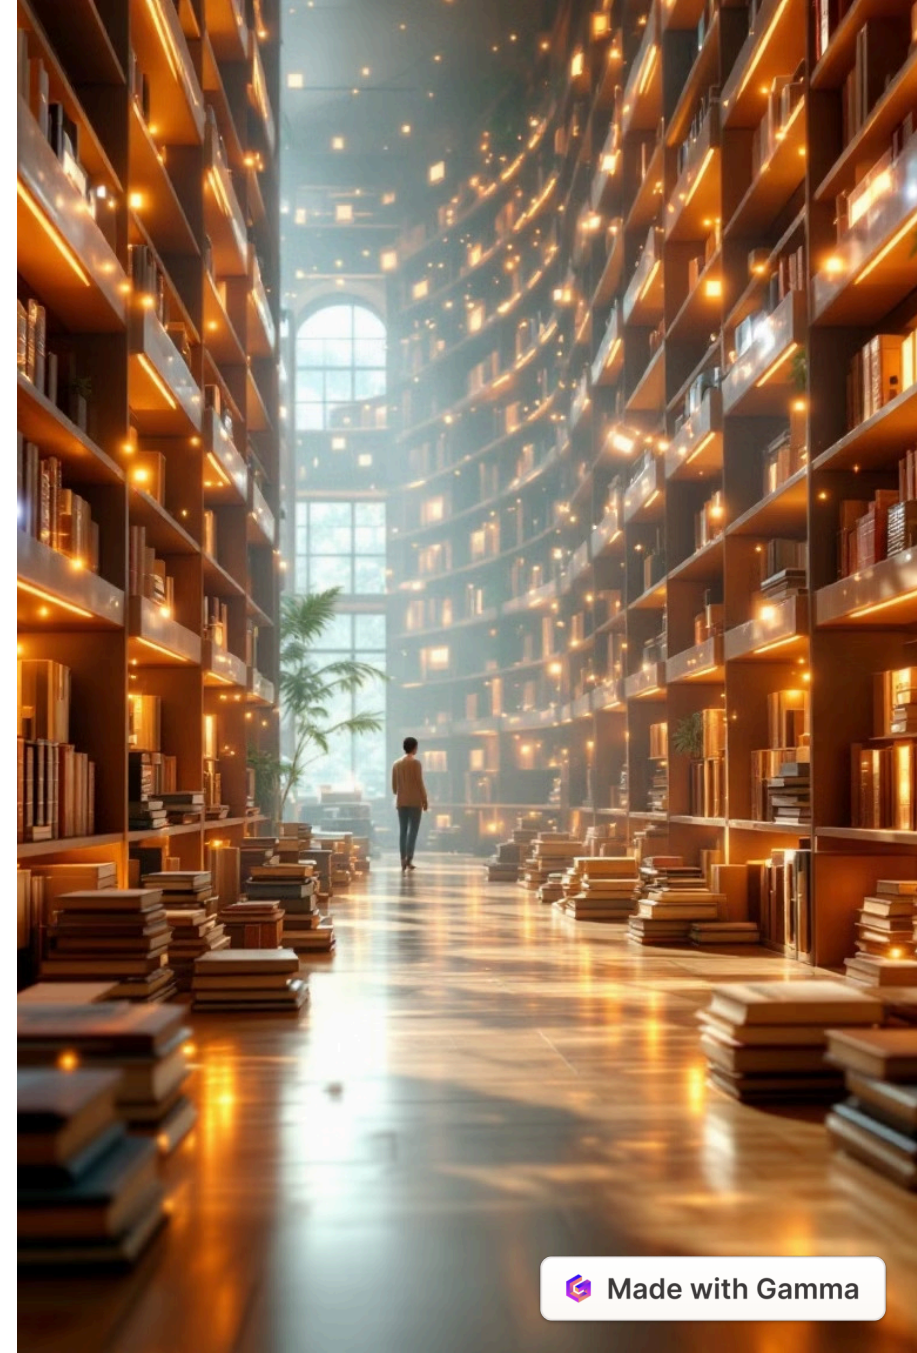

Comprehensive documentation for ICP development. Your go-to guide for all things ICP.

Motoko Playground

Experiment with Motoko. Practice coding in a safe, online environment.

OpenChat DAO Information

Learn about decentralized autonomous organizations. Explore the future of community governance.

Join the Movement!

We are creating the future of dApps. Together, we can redefine the digital landscape.
